Job Name:	

Features & Specifications:

The 5200 series is a contemporary traditional cloud with rounded edge acrylic diffuser. The innovative design of the 5200 series provides a shallow, fully luminous light source.

- High impact acrylic diffuser
- Rounded edges create soft uniform illumination
- Housing is made of cold rolled steel
- Spot welded for rigidity and durability
- White polyester polymer with a minimum of 82% reflectivity
- Diffuser lifts and shifts from either side for easy re-lamping
- Suitable for damp location
